## [European IPR Helpdesk Bulletin Issue \(1\)](#)

We are pleased to inform that the first issue of the European IPR Helpdesk Bulletin has been published.

The Bulletin gives us the opportunity to take a closer look at certain IP and R&D issues from varying perspectives. Designed in a business-oriented, magazine-like way it provides you with illustrative case studies and success stories, easy-to-read expert articles, interviews as well as reports on past events and activities of the European IPR Helpdesk team.

The Bulletin is published in our website on a three-monthly basis and is also sent directly to the subscribers of the news service we provide.
