
[IP management in Horizon 2020 Marie Skłodowska-Curie Actions](#)

Intellectual property (IP) management is a very important part of any successful project within the Horizon 2020 framework programme. Marie Skłodowska-Curie (MSC) Actions are not an exception and participants should take the time to understand the IP rules and establish an effective and tailored plan for the protection and exploitation of research results and intellectual property (IP) arising within their projects.

The aim of this fact sheet is to outline the main IP-related issues that participants in Marie Skłodowska-Curie Actions should consider in the different stages of their projects.
