
[The Plan for the Exploitation and Dissemination of Results in Horizon 2020](#)

-

Exploitation and dissemination are integral part of the European research and innovation funding and certain obligations in this regard arise at the project proposal stage. The Horizon 2020 work programme 2014-2015 explicitly specifies that project proposals shall include a draft Plan for the Exploitation and Dissemination of Results (PEDR).

The aim of this fact sheet is to outline the main characteristics and scope of the PEDR and to tackle the issues that participants in Horizon 2020 may encounter when preparing the PEDR.
