Date:

Thursday, 19.09.2019 - Friday, 20.09.2019

Location:

Helsinki, Finland

Host:

European Commission

Speaker:

Claire Fentsch, European IP Helpdesk

The Digital Excellence Forum @ ICT Proposers' Day 2019 will take place on 19-20 September 2019 at the [Messukeskus Expo and Convention Centre](#) in Helsinki, Finland.

Information sessions are designed to cover the main features of the Horizon 2020 work programme and to assist participants on how to prepare and submit a proposal.

On the second day from 1:55-2:30 PM, the European IP Helpdesk will host a session on the role of dissemination and exploitation in Horizon 2020 projects. Participants will get an overview on key practical steps to consider when elaborating a sound outreach and exploitation strategy.

With a plenary debate on “Partnering for Digital Excellence” and open dialogue sessions on the upcoming Digital Europe Programme, the event will provide an excellent opportunity to present the main policy drivers of the digital transformation of European industry and society and to discuss how the EU research and innovation agenda can best contribute to these objectives.

Commission officials will be at your disposal to reply to your questions on ICT-related topics of the

2018-20 work programme and the content of the next calls for proposals. Moreover, networking stands will serve as meeting points to facilitate interactions between people interested in the same research topics.

Participation is free of charge. To view the complete agenda and register, please visit the [event website](#).
