
[New eLearning Modules Available!](#)

The European IP Helpdesk team is proud to present a new way of supporting the active IP capacity building for our users. Core topics from our training schedule will be made available as eLearning clips.

Check out our first two modules:

[European IP Helpdesk + CPVO - Plant Variety Protection](#)

[European IP Helpdesk - Impact And Innovation In Horizon 2020](#)

More modules will follow soon!
