
[EU Open for Business Info Day Düsseldorf, Germany](#)

Date:

Thursday, 12.09.2019

Time:

10:00 - 15:30

Location:

Düsseldorf, Germany

Host:

EU Open for Business

Speaker:

Jörg Scherer, European IP Helpdesk

The EU Open for Business Info Day provides participants with valuable information on the various EU programmes available to small and medium-sized enterprises in Germany and unique access to representatives from the European Commission, national experts and business intermediaries. Participants will also get the chance to exchange and network with other participants.

During the session in Düsseldorf on 12 September 2019 European IP Helpdesk coordinator Jörg Scherer will introduce the training and support measures provided by the European IP Helpdesk.

The EU Open for Business campaign has already promoted Single Market opportunities for SMEs in 20 EU Member States since 2015. Over the last two years, the Info Days brought together

participants from 379 SME support organisations and more than 100 Enterprise Europe Network advisers and high-level EU experts.

For further information on programme and registration, please visit the official [event page](#).
